

YOUR BUSINESS NEEDS A TRUCK YOU CAN RELY ON

When you need a truck that gets the job done and is always ready for the next one, a truck that leaves worry behind, the International® DuraStar® is a no-brainer.

DuraStar is available with a strong range of diesel engine options – including the Cummins® ISB6.7, Cummins ISL9 and the durable Navistar® N9 – in several horsepower and torque ranges.

DuraStar features the Diamond Logic® electrical system bringing the brainpower, flexibility and convenience of advanced electronics to the truck's electrical system, making the vehicle easier to use and maintain.

DuraStar is a hard-working, versatile truck that will help you get the most out of your business.

DURAStar®
